TOUR OVERVIEW

The 2025 Garden and Art Spectacular Tour of Japan is a specifically designed 16 day tour to showcase exquisite Japanese gardens against the background of gorgeous autumn colours. This tour has its origins in our well-regarded May & October Garden and Art Tours. However, it is conducted in November, at the peak of autumn foliage, with a higher level of comfort, and at a more relaxed pace in particular you stay two nights at Naoshima Island.

As with the most other Journey to the East's popular Small Group Tours, this 16-day tour accepts only 8 travelers per tour. The "Comfort" style tour leans towards luxury with its superior comfort in accommodation, easier pace and with extensive use of private minivans. The accommodation is all 4-to-5-star hotels with western beds and ensuites.

*From 2025 all our 8-member Small Group Tours will have guaranteed departure from 2 guests.

(*You can't take it home for biosecurity reasons, but the skills are yours to keep.)

In the afternoon, you will visit one of the best autumn gardens in Tokyo, **Rikugi-en**. After strolling the magnificent garden at peak of its fall colours, you continue your journey back to your hotel in central Tokyo.

- Wander through **Ota Memorial Museum** which specialises in **ukiyo-e (wood print) art**, and

Finally, you will arrive at Kurashiki, your base for the next two days. It is delightfully historic and picturesque town to walk around. It has maintained its charming streetscape of traditional black-and-white storehouses, merchant residences and canals lined with willow trees. Here you visit the **Ohara Museum of Art**, with a superb collection of ceramics, paintings and antiquities from Japan, China and other ancient civilizations.

You will have a French style dinner at your hotel tonight.

 **Kurashiki (Kurashiki Royal Art Hotel or similar)**

You return to Kurashiki to have a casual local dinner tonight.

 **Kurashiki (Kurashiki Royal Art Hotel or similar)**

My Garden and Art Tour of Japan in Autumn with Journey to the East was first class. Excellent and diverse itinerary, English speaking guide knowledgeable and helpful, comfortable western style accommodation with some French and Italian influences and everything went like clockwork. The autumn awash with colours and the museums and art works are simply superb. Naoshima and Mt Fuji was spectacular. Cannot fault this tour or Journey to the East. A truly and memorable experience.
