2	Transfer to Asahikawa and Daisetsuzan National Park	<p>Meet your friendly Journey to the East guide this morning at Tokyo's Haneda Airport and fly to Asahikawa, the gateway to northern Japan. From here, your 2027 Autumn Adventure Tour of Hokkaido begins.</p> <p>After a light lunch, travel into the heart of Daisetsuzan National Park, Japan's largest national park and one of its most beautiful wilderness areas. Covering around 2,268 square kilometres, the park is renowned for its rich alpine flora, diverse wildlife and spectacular mountain scenery. The Ainu people call this sacred landscape Kamui Mintara, meaning "the playground of the gods."</p> <p>Enjoy a relaxing ride on the Kurodake Ropeway, ascending to panoramic viewpoints where you can admire expansive alpine landscapes and some of Japan's earliest autumn colours. Short, gentle walks allow you to appreciate the crisp mountain air and natural beauty at a comfortable pace.</p> <p>Later, unwind at your mountain hotel with a soothing onsen hot spring bath, overlooking the surrounding autumn foliage. This evening, enjoy your first dinner together as a group, a relaxed and welcoming start to your journey through Hokkaido's unspoilt nature, ideal for travellers seeking a scenic, easy-going and immersive Japan experience beyond Honshu.</p>	Breakfast, Lunch, Dinner	Hotel Taisetsu [Twin Room in Yukihotaru]
3	Canoeing in the Daisetsuzan National Park	<p>This morning, continue your journey through Daisetsuzan National Park, enjoying beautiful autumn mountain scenery as you travel over Mikuni Pass, one of Hokkaido's most scenic highland routes. The changing colours of forests and expansive views make this drive a highlight of any Hokkaido autumn tour.</p> <p>Next, arrive at tranquil Lake Shikaribetsu, the highest lake in Hokkaido and a place known for its calm, mystical atmosphere. Here, enjoy a gentle canoeing experience on the quiet waters, a relaxing and immersive way to appreciate the surrounding nature at an unhurried pace.</p> <p>In the afternoon, travel to Obihiro, the fifth-largest city in Hokkaido and the commercial and logistical hub of the fertile Tokachi Plain. 4	Cycling and farm visit in Tokachi	<p>Today is dedicated to experiencing the open landscapes and farming culture of the Tokachi Plain. Enjoy an easy, guided cycling tour through fields of potatoes and other vegetables, travelling along quiet country roads with very little traffic. Unlike much of rural Japan, Hokkaido's farms are large-scale and spacious, making this region ideal for leisurely cycling at a comfortable pace. The fresh air and wide horizons offer a wonderful sense of freedom and connection to the land.</p> <p>A highlight of the day may be a farm lunch enjoyed outdoors, depending on conditions, allowing you to sample local produce in a relaxed rural setting.</p> <p>In the afternoon, return to Obihiro City to visit a unique local sake brewery. While sake is Japan's most popular alcoholic beverage and is produced throughout the country, Tokachi was not traditionally a sake-producing region, as its cold climate was not ideal for rice cultivation. This innovative brewery has changed that by collaborating with a local agricultural university, helping to establish a new sake industry in Tokachi.</p> <p>After a guided tour of the modern brewing facility, enjoy a sake tasting accompanied by local snacks, a fitting and enjoyable conclusion to a day that blends Hokkaido nature, agriculture and regional innovation.</p>	Breakfast, Lunch	Hotel Nikko Northland Obihiro [Twin Room]
5	Transfer to and guided tour of Sapporo	<p>This morning, leave the Tokachi Plain and travel to Sapporo, the vibrant capital of Hokkaido. Famous for its wide streets, modern architecture, and rich history, Sapporo is also surrounded by nature, and at this time of year, its parks and gardens are ablaze with autumn colours.</p> <p>Upon arrival in Sapporo, enjoy a guided walking tour of central Sapporo, Hokkaido's vibrant capital. Visit some of the city's most famous landmarks, including the Sapporo Clock Tower, a charming symbol of the city's early development, and the Red Brick Former Hokkaido Government Building, known locally as Akarenga, a beautiful example of early Western-style architecture surrounded by gardens that glow in autumn. Along the way, your guide will share stories of Sapporo's history as a planned city of the 19th century, designed with wide streets, public squares, and a balance of urban and natural spaces.</p> <p>Sapporo is not only a city of nature and culture - it also boasts a sophisticated dining scene. Tonight, enjoy a relaxing dinner at a restaurant with panoramic views, soaking in the city lights and reflecting on your journey from Hokkaido's mountains and plains to its lively capital.</p>	Breakfast, Lunch, Dinner	Solaria Nishitetsu Hotel Sapporo [Standard Twin/Hollywood Twin]

6	Morning guided tour of Sapporo and free afternoon and evening	<p>This morning, you will visit Mt Moiwa Park in the outskirts of Sapporo. The mountain's mixed forests - featuring Japanese maples, <i>Quercus crispula</i> (oak), and <i>Moiwa bodaiju</i> (linden trees) - turn the entire slope into a vast sea of yellow and orange. Visitors can ride the Mt Moiwa Ropeway from the base up to the middle station. Ascending the mountain provides an immersive, bird's-eye view of the colourful canopy spreading across the Ishikari Plain.</p> <p>In the afternoon, you can spend time freely at your own pace exploring Sapporo's streets, cafés, shops, or cultural attractions.</p> <p>This evening is also free to explore Sapporo's lively evening scene. Sample Hokkaido's famous cuisine, from miso ramen to fresh sushi, and enjoy a refreshing Sapporo Beer, brewed right here in the city.</p>	Breakfast	Solaria Nishitetsu Hotel Sapporo [Standard Twin/Hollywood Twin]
7	Transfer to and guided tour of Yoichi and Iwanai	<p>This morning, leave Sapporo and travel west to the charming town of Yoichi, known for its fruit orchards and emerging wine industry. Here, visit a local winery and enjoy a leisurely lunch, sampling regional produce and the wines made from Hokkaido's crisp, northern climate.</p> <p>In the afternoon, continue to Iwanai Town, a scenic coastal destination facing the Sea of Japan. Known for its abundant fresh seafood, nearby ski resorts, and water activities, Iwanai is a favourite getaway for locals. Visit Kiko-in Temple, home to the largest wooden Buddha statue north of Tokyo. Established in the Edo period, Kiko-in survived the devastating Iwanai Great Fire of 1954, which destroyed much of the surrounding town, and now stands as a symbol of hope and resilience. In 1969, it was recognised as Iwanai's first designated tangible cultural property, highlighting its historical and cultural importance.</p> <p>Tonight, stay on the outskirts of Niseko, one of Hokkaido's most famous ski resort areas. From your accommodation, enjoy breathtaking views of Mount Yotei, often called the "Fuji of Hokkaido," as the sun sets over this iconic peak.</p>	Breakfast, Lunch, Dinner	Nikko Style Niseko Hanazono [Superior Twin/King]
8	Guided tour of Niseko	<p>Niseko is not only famous as a ski destination - it has a long tradition of agriculture, with fertile land producing a variety of local specialties. This morning, immerse yourself in the region's natural bounty with a hands-on mushroom harvesting experience. After your harvest, a chef will prepare the mushrooms into a delicious tempura lunch, showcasing the fresh, earthy flavours of Hokkaido's autumn produce.</p> <p>In the afternoon, explore another of Niseko's local treasures: Japanese whisky. Over the past decades, Japanese whisky has gained worldwide acclaim, and Niseko and nearby Yoichi are among the country's key whisky-producing regions. Visit a local distillery, learn about the brewing process, and enjoy a tasting of these renowned spirits, paired with insights into the region's whisky culture.</p> <p>Return to your hotel for another relaxing night in Niseko, with mountain views and autumn scenery.</p>	Breakfast, Lunch	Nikko Style Niseko Hanazono [Superior Twin/King]

After a casual lunch at a herb garden café, visit Usuzan, the area's active volcano. Take the ropeway to the summit for spectacular views of Showa-Shinzan, a lava dome formed by volcanic activity between 1943 and 1945, rising dramatically from the surrounding landscape. The combination of calm lake waters and volcanic peaks provides a striking contrast and a chance to experience Hokkaido's diverse natural scenery.</p> <p>Tonight, stay at a luxurious onsen resort, surrounded by beautiful gardens and calming music. Relax in the hot springs and enjoy a French-inspired dinner.</p>	Breakfast, Lunch, Dinner	Lake Toya Tsuruga Resort Hikari no Uta [Standard Twin or Japanese & Western room]
