TOUR OVERVIEW

The 2026 Garden and Art Spectacular Tour of Japan is a specifically designed 15 day tour to showcase exquisite Japanese gardens against the background of gorgeous autumn colours. This tour has its origins in our well-regarded May & October Garden and Art Tours. However, it is conducted in November, at the peak of autumn foliage, with a higher level of comfort, and at a more relaxed pace in particular you stay two nights at Naoshima Island.

As with most other Journey to the East's popular Small Group Tours, this 15-day tour accepts only 8 travellers per tour. The "Comfort" style tour leans towards luxury with its superior comfort in accommodation, an easier pace and with extensive use of private minivans. The accommodation is all 4- to 5-star hotels with western beds and en-suite.

*Accommodation will be as planned below or similar.

Pei designed this museum with much of the site built into a forested hillside. Miho was built to house an extensive private collection of some 2,000 antiquities from ancient civilisations.</p> <p>The contrast of the glass and steel structure of the museum's roof against the surrounding natural environment is spectacular. It is this seamless integration of the man-made and the natural which creates today's indelible memory.</p> <p>Back in Kyoto tonight, you will gather together one last time for a "farewell Japan" dinner with the group.</p>	Breakfast, Dinner	The Royal Park Hotel Iconic Kyoto [Superior Double/Twin]
